HOW CORPORATE MEMBERSHIP WORKS

Company will contribute towards each employee membership (varied levels available)

GTBay YMCA will match the company contribution up to \$100 AND waive the \$100 joiner fee

Company will designate a corporate representative to act as the liaison and assist in company promotion and recruitment

A minimum of 5 employees are required to participate at all times

Company may be billed monthly, quarterly or annually for its portion of the employee memberships

If your company is interested in learning more about joining the Y's Workplace Wellness program, visit us at the registration table or our Membership Services Desk at any location.
